testimonials

I would like to pass on to you and Management/owners how much everyone loved the venue, the staff, and especially the food! And drinks of course!! The staff were extremely helpful polite and well presented.

Again, many thanks to you all for making a great celebration even better!

Margot Leonard

I think the costs, service and venue make Metro an excellent choice for functions I typically organise and I will recommend events at Metro Cafe to others.

Thank you for all that you guys did on Saturday night. Everything was wonderful and you guys really did do a wonderful job for us. Below are the answers for your questions.

The organisation of the event was great, It was very helpful that we were able to get in at lunch time to set up the room. You guys did a great job with all of the food and drinks provided. Everyone commented about the venue saying it was a great place to have our fundraiser and the service was above and beyond. Every area received 10 out of 10 you guys were great.

Thank you for the evening and I hope to work with you guys in the future.

Jamie Patikura

The group was made to feel very welcome by Dan, Penny and Henrietta. Thank you all so much for your efforts.
